### PROGRAM: **James Madden – Lindsay Wildlife Experience**

James Madden is the new Director of Education at the Lindsay Wildlife Experience. His path to the Bay Area has been a winding one. Some of the stops along the way have included sea turtle researcher in Florida, college professor in Brooklyn, Peace Corps volunteer in Ecuador, and educator at the California Academy of Sciences. A strong advocate for science education and an ardent environmentalist, James enjoys sharing his passion for conservation and sustainability with all audiences. He will talk to us about the Lindsay Wildlife Experience, from its humble origins to its ambitious vision for the future. He hopes that his words will move you to support Lindsay any way you can.
