PROGRAM Jacquie Williams-Courtright

Join us for our annual outing to Alden Lane Nursery. This is a lovely day and a very popular luncheon for all you garden lovers. The grounds are so beautiful and there are many options for picking out flowers, shrubs & vegetables. We will have our boxed lunches indoors, while Jacquie, the owner, will talk about her recommendations for spring flowers and vegetables, and answer any questions you have about getting the garden going now that we've had rain. Jacquie is very knowledgeable and has a passion for everything garden! You won't want to miss her; she is truly delightful. As a surprise Jacquie gives us 10% off of our purchases that day. We will also raffle gift cards to be used at the nursery.

Note: You are encouraged to carpool.

Non-member guests are invited to attend our luncheons. Please contact Cindy @cindy444@sbcglobal.net for information. Reservation deadline is April 9, 2025.
